Phase I...Complete!!

The Musser Park Civic Association is delighted to announce that the first phase of construction of the New Leaf project for the upgrading and rejuvenation of Musser Park, is complete. As expected, the first phase of construction took several months and required the Park be closed for the Summer. But, now the fences are down, the playground is open, the grass is growing and the new plantings look great! We are very grateful to all of our friends and neighbors for their patience and understanding during the Phase I construction.

Phase II, for which funds are now being raised, includes up-lighting for the trees throughout the Park. Those interested in knowing more about the Park, the Association, or in contributing to the New Leaf Project are urged to contact the Musser Park Civic Association at its website at www.musserpark.org.

Trick-or-Treat

Butts, Poop & Trash...

Over the last year, an incredible amount of dedication and hard work was done to make Musser Park an enjoyable place for all. We ask that you

PLEASE

- Dispose of cigarette butts in appropriate containers
- Clean up after your pets (no one likes to step in it!)
- Place trash in appropriate containers
- Leave the Park as clean or cleaner than you found it

United Way Day of Caring

Once again this year, the Park was a site for the United Way Day of Caring Event. This year the projects included, planting over 100 perennials, sweeping the walkways, trimming bushes, shrubbery and trees, emptying trash cans and cigarette butt catchers and moving benches. More than 20 of the volunteers were students from F & M College. We accomplished all of our goals plus even a little extra! We thank ALL of our volunteers for their hard work and we look forward to seeing them in the Park!
